Home: Gorgopotamou 5 Evosmos Papaflessa 8 Analipsi, 56224 Thessaloniki (Greece)

ABOUT ME

I am a Computer Science student, studying in the department of web development. I am interested to focus on custom made web pages that suit the client's needs.
When I am not writing code I enjoy visiting nature, taking long walks and trips and generally enjoying life! On rainy days, a Sci-Fi movie or TV-show usually is all I need to relax, while my favourite thing to do is spending time with my pet dog Cali!
